

47" Round Punched Aluminum Patio Dining Table with Commercial Aluminum Frame

SKU: RPKD4718MYNU-SB

Description

This 47" round punched aluminum patio table with commercial aluminum frame is a great solution for both residential and business use. Ascent all your other patio furniture by selecting a color option for the whole table. Now available in two mesmerizing punched patterns: Mayan or Sunburst! Also, choose whether to include a hole for an umbrella in the center of the table, which comes with a nylon plug. The 1" diameter aluminum frame is sandblasted and powder-coated to protect against rust while giving a more adherable surface for the textured finish. Easy assembly. Add style to longevity for your hotel or resort pool deck.
