

## 48" Round Kingston Bar Height Table with Marine Grade Polymer Frame - 70 lbs

**SKU:** RPKD4805BNU

### Description

The 48" round Kingston Bar Height Table is great for transforming a hotel or resort patio into an inviting hang-out for drinks and casual dining. Made with solid MGP, the tabletop features a stylish shiplap design and an umbrella hole in the center that comes with a nylon plug. Skip the hassle of high maintenance material, Marine-grade polymer is designed for outdoor use and won't crack or split from the elements. This table comes in several fade-resistant colors and complements our Kingston line of dining chairs. No patio, balcony, or lounge is complete without a table so add this bar height MGP table to your next order today!
