

40" Square Marine Grade Polymer Wave Patio Dining Table with X-Base

SKU: RPKD4025W

Description

The Wave Plank Square dining table is perfect for poolside dining, hotel patios, or resort decks. It features a wave plank style top in a marine-grade polymer that looks stylish and nautical. MGP is built to withstand all-weather without splintering or cracking. The aluminum frame is sandblasted and powder coated for a rust-resistant finish in colors complementing its top. Easy to assemble and simple to keep clean, this table is low maintenance. Outfit a homeowner's association, apartment clubhouse, resort, or estate with a beautiful commercial-grade table today!
