### Description

Our 39-gallon trash receptacle with open top is a simple, cost-efficient waste management solution for your commercial environment. Made from 100% heavy-duty HPDE, this receptacle will last years with little maintenance resisting dents and scratches. The conveniently slender shape can be stored in tightest spaces inside gas stations, movie theaters, and fast food restaurants. Includes a hard plastic liner with handles to easily remove collected waste and keep the receptacle cleaner. Proudly made in the USA and is supported with a 1-year commercial warranty!
