Description

Enjoy the golden years in style with our popular Senior Height Neptune Vinyl Strap Chaise Lounge! Featuring an 18" seat height, our Neptune chaise lounge stands above the rest, making it easy for senior guests to get in and out of. This reduces the chance of strain or injury since the patron wouldn't have to lift up from so low to the ground. Our Neptune Chaise is popular at wellness centers, condos, retirement communities, and hotels all around the country! Fitted with 2" double wrapped virgin vinyl strap on a heavy-duty powder-coated 1-1/4" round aluminum frame, this chaise lounge will be a long-lasting investment to any pool deck or patio. This chaise lounge is 100% American made and supported with a three (3) year commercial warranty so you can be sure you are making a wise decision that can only be understood with age!
