

## RODI SIDE TABLE

*Passes European standard UNI EN 581-3*

The Rodi Deluxe 18" side table is a heavy duty side table not comparable to any other side table in the industry. This table has a patented tapered leg design and non skid feet pads on each leg. The table is made of 100% composite PP Resin to give years of durability and will not chip, peel or rust. The Rodi is also resistant to most stains including chlorine and salt-water. The table is also easy to assemble and has no metal parts. This table is an excellent accessory to the Eden or Omega lounges.

*3 year manufacturer warranty (see warranty for details)*
