***Sturdy, modern and  
enduring style***

***The New Basic Bistro  
Umbrella***

This six-feet-to-a-side solid fiberglass umbrella will give great shade and ambience to your tables for many years to come. The Whale Bone color is molded in to the umbrella itself to ensure that it will not fade.

**The tough exterior and steel reinforced interior** supports mean that this umbrella can stay out in some of the roughest weather....no one needs to

run outside to take them down when storms approach or when winter comes.

To be able to offer you special pricing in these recessionary times, the Basic Bistro comes only in the eye-pleasing Whale Bone color. Note that this is the same finish used on most motor yachts and sailboats; it is very durable and looks great.

**Specifications:**

- 36 sq. ft.
- 8 1/2' diameter
- Approx. 60 pounds
- Choice of 6' or 8' pole
- 12 inch Canopy height
- Whale Bone color ONLY
