

# 30" Square Aluminum Apollo Dining Table with Bistro Base

**Product SKU: RPKD3006SAP**

## Description

This 30" square aluminum dining table is a great solution for both business and restaurant use. Create a cohesive look by selecting a color option for the whole table. The commercial-grade aluminum base is sandblasted to protect against rust and welded together for durability. The aluminum top features a slat-style design that goes with any location. Bring a little style to your bistro, hotel, dining area, or business with the 30" square aluminum dining table.
