

Round Punched Aluminum Side Table with Commercial Aluminum Frame - 18" or 24"

SKU: RPWT182418MYN-SB

Description

This round punched aluminum side table with commercial aluminum frame is a great solution for both residential and business use. Ascent all your other patio furniture by selecting a color option for the whole side table. Now available in two mesmerizing punched patterns: Mayan and Sunburst! The 1" diameter aluminum frame is sandblasted and powder-coated to protect against rust while giving a more adherable surface for the textured finish. This side table also comes with a tabletop option of 18" or 24" diameter, perfect for drinks by the pool on a sunny day. Add style with longevity to your hotel or resort pool deck.
