

Sanibel 45 Degree Sectional Corner Table with Umbrella Hole - 22 lbs.

SKU: RPWT4587SSU

Description

Furnish the lobby or patio of your hospitable business with this comfortable Sanibel Sectional Collection. This 45-degree corner table is made of commercial-grade HDPE marine grade polymer, that is water and corrosive resistant. Includes an umbrella hole with a coordinating hole plug for a shade option. Comes with two cup impressions for proper drink placement. Mix and match the other components to utilize the space in your conversational areas. Sectional connectors are included with all sectional pieces. Perfect for hotels, resorts, and country clubs. Call us today for a great quantity discount to dress up your entire establishment.
