### Description

Our 45-gallon Poly Tec commercial polyethylene plastic round trash receptacle gives a smooth sleek appearance to school cafeterias, hospitals, and businesses both inside and outdoors. Made of 1/8" thick long lasting polyethylene that won't rust, dent, or chip and is easily cleaned with standard degreaser. The telescoping lid, with a unique 9 1/2" hexagonal opening for easy disposal, is a great choice for sunny and windy areas. Includes the patented Grab Bag system, which secures the 55-gallon trash bag in place without being visible when the lid is in place. Available in black only. This trash receptacle is completely made in the USA and supported by our 1-year commercial warranty!
