Description

The Plastic Tuffy Can is a durable receptacle with pitch in top, great for parks, campgrounds, commercial buildings, and school campuses. The heavy-duty plastic is built to last with a balance of toughness and rigidity to uphold in any weather. The pitch in style top features a security cable and pops off for convenient maintenance. Comes with a 22-gallon plastic liner. This quick ship product goes out within a business week and comes in only Beige Granite coloring. For more color options see our regular listing or call our staff today for a lead time on other colors.
