5-Year Commercial Warranty:

We fully guarantee all parts and materials for five years excluding vandalism or acts of nature. Our revolutionary thermoplastic coating is guaranteed for five years. Thermoplastic coating will never fade, crack, peel, warp, or discolor for the life of the product. Thermoplastic can be easily repaired. Cuts are repaired by heating the affected area with an industrial heat gun. The thermoplastic will re-bond itself. The properties of the thermoplastic also make spray painting difficult for vandals. Simply wash the product with a standard industrial cleaner. We recommend WD40.
